Dear Parents;

We will be here in
Peckatin, Wash., for
2 weeks or longer. Be
sure to write me soon,
won't you?

It is so lovely & cool.
Peckatin is a quiet
little town in a most
beautiful pine-tree
covered canyon, where
people make their living
ranching, fruit growing
& logging. A large saw-
mill is right here in town
on Wenatchee River.

God bless you & the girls
much love - Helen & Ray
